TREE PLANTER
RENTAL AGREEMENT**

The tree planter is for planting tree and shrub seedlings. The Muscatine County Conservation Board currently has one tree planter available for rent. The rental fee established by the Conservation Board for the tree planter is \$10.00 per day (24 hours). A \$100.00 damage/cleanup deposit is also required.

As user of the tree planter I, _____, agree to the following:

1. To pay the deposit in advance. Deposit will be refunded when equipment is returned undamaged and cleaned, and has been inspected by Conservation Board staff familiar with the equipment. The charge will be \$50 if the tree planter is returned dirty.
2. To pay an additional \$10.00/day (24 hours) for delay of returning the tree planter on the completion date unless the Conservation Board has been notified of the delay and agrees that the delay is weather or equipment related.
3. To furnish a vehicle with a two (2) inch ball hitch to transport tree planter to and from the Conservation Board shop at the Saulsbury Bridge Recreation Area. To pick up and return the tree planter between the hours of 8:00-8:30 a.m. or 3:30-4:00 p.m. on weekdays (Monday-Friday).
4. To notify the Conservation Board office (563) 264-5922 immediately if the tree planter is broken or damaged during use.
5. The Muscatine County Conservation Board, as owner of the tree planter, is not responsible for accidents nor assumes any liability in connection with the use of the equipment. As with any type of farming operation success of establishment is not guaranteed. Planting dates, weather, seed, etc. are all determining factors.
